If you want to get away from all of the things that keep you from quilting... then the 11th annual **RETREAT...to the Hills!** is for you. A weekend packed full of quilting, friendship & fun activities. What could be better... *right?*

Spend the weekend, from Friday (Oct. 7) thru Sunday afternoon (Oct. 9) at the Ozark Natural Science Center, in Madison County, Ar-

kansas between Huntsville and Eureka Springs, it is the perfect place to refresh yourself and have a fun, relaxing, learning experience.

Participants will be housed in the climate-controlled cabins and activities will take place in the beautiful lodge and educational building. What a great place to hang out with fellow quilters and sew & stitch to your heart's content.

This is a rustic retreat. You will need to bring your own sheets, pillows, blanket or sleeping bag, towels, etc. (see supply list).

The rooms are large and hold either 4 or 6 participants. There is a bathroom with a shower in each room. The beds are bunk beds and the bottom bunks will be assigned to the first half of the registrations received.
