## BOB-BOB-BOBBIN' ALONG...

A message from our President

Dear Hearts!!!!

I hope to see you at the February meeting, but it is Regional Basketball Tournament week and this is my husband's last season so we shall see.

When I watch him direct his teams, I am always reminded of the power of teamwork. Last night (Feb 11) was Dan's last home game and his girls poured their hearts out for him in the form of teamwork. They passed and shot with precision. They played defense like a well oiled machine. Everyone on the bench contributed in big and small ways. We had about 50 additional fans there as our friends and family came to cheer him on. One of them asked me if Dan was always that quiet and calm at a game. I assured her that he assuredly was not! The difference was that his girls followed his plan and did as they were directed in practice and at time outs. They were out to win together.

Our Guild is like a team. We learn to play well together. We try to help each other succeed. We try to find our part in the scheme of things and do it to the best of our ability. Sometimes it is our turn to sit on the bench and watch. Sometimes it is our turn to make the winning shot, but it should always, in the end, be for the team. If you are sitting on the bench and want in the game you are going to have to speak up, raise your hand, say "Pick me, Pick me!" When my youngest son had to sit the bench, he made sure he sat right next to the coach so he could have his ear and let him know he wanted in!

Let us know you want in! We need chairpersons and helpers for the quilt show coming up next year. We are going to be hosting Quilt Congress in the fall of 2017 and we need a whole team for that. I would like to have someone take over our new PA system and be responsible for getting it to the meetings, setting it up and taking care of it at the meetings. We need help on our kitchen committee and I know anyone with a job presently would love for you to offer to help. We need you to come to the Baby Quilt Workshop on March 12 and make children's quilts for the shelter. If you can't come, offer to quilt or bind or even kit up one. There are endless opportunities to participate in our guild.

If the coach (me) walks down the bench, looks you in the eye and motions you in the game, jump up with enthusiasm and join your team on the floor. Do your part to make this guild a success (whatever that is, in your opinion). My vision of success is a group that reaches out to experienced and novice quilters to educate and include in our community. It is giving of our talents to children, veterans, new mothers in the WIC program, people in nursing homes, anyone whose life would be made better with a quilt (isn't that everyone?), and to inspire each other with the work of our hands.

Your Czarina Coach,

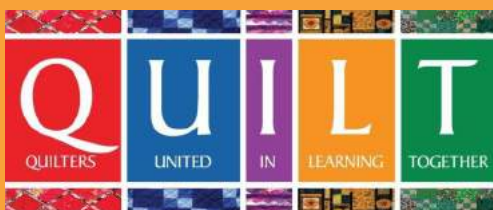

Kathy

## FILM: PAT FERRERO

"Hearts and Hands: 19th Century  
Women and Their Quilts"

The film chronicles the lives of ordinary women as well as individuals such as Harriet Tubman, Elizabeth Keckley, Frances Willard and Abigail Scott Duniway through the great 19th century events: industrialization, abolition, the Civil War, westward movement, temperance and suffrage. For nineteenth century women, quilts were the podium, the pulpit and the judges' gavel, which their society denied them. Their quilts speak the language of abolition, patriotism, politics, social justice and westward expansion.

### IMPROVISED STITCH AND FLIP TRIANGLES TECHNIQUE

We hope you have already signed up for the Jacquie Gering Workshop as it is SOLD OUT! But there is always a chance of someone not being able to attend at the last minute, so if you are interested, but haven't committed,

**FRIDAY, MARCH 25TH  
9AM-3PM**

**B SEW-INN  
2910 N MCKEE CIRCLE,  
FAYETTEVILLE**

**COST: \$45 MEMBER,  
\$50 NON-MEMBER**

get your name on a waiting list. Email Lori Jones at [alliancelori@aol.com](mailto:alliancelori@aol.com) to explore this option. For those of you that are on the list, join us on Friday, March 25th from 9am to 3pm at the B Sew-Inn in Fayetteville for this wonderful workshop.

Modern quilter Jacquie Gering will be teaching this workshop on the Supernova. Cost will be \$45 for members and \$50 for non-members.

This workshop combines simple sewing with a bit of color work

and improvisation to make the explosive Supernova quilt. The Supernova design takes advantage of the ability of the stitch and flip triangle block to create shape. As you make the quilt, you'll learn about the importance of using value differences to create a design with depth and movement as well as how improvisation can create variety and unexpected shapes which lead to a dynamic design. The Supernova quilt for this class finishes at 54" x 54".

Supplies needed for this workshop are listed below:

#### FABRIC

Background (beige\*): 2 yds

Colorway #1 (blues\*): ¼ yd (fat qtr) each of 6 coordinating prints or solids in varying values

Colorway #2 (oranges\*): ¼ yd (fat qtr) each of 3 coordinating prints or solids in varying values & ½ yd each of 3 addtl coordinating prints or solids in varying values

**\*FABRIC RECOMMENDATIONS:** Beige background, oranges and blues are for example only and are based on the inspiration quilt. Feel free to choose the colors of your quilt based on your preferences. Monochromatic prints (prints that read as a single color) or solids work best in this design. Feel free to combine prints and solids in one quilt. It is important that your colored fabrics contrast with your background fabric.

#### TOOLS

Basic Sewing/Quilting Supplies  
Rotary Cutting/Pressing Tools

Cutting Mat  
Acrylic Ruler  
Pins  
Neutral colored sewing thread

#### OPTIONAL PRECUTTING:

**\*\*be sure to bring all of your leftover scraps...you will need them for stitch and flips**

#### FINISHING MATERIALS :

*Do you have a 'Quick Tip'? Send yours to [cassie1217@hotmail.com](mailto:cassie1217@hotmail.com)!*

Are you a long-arm/mid-arm quilter looking for an inexpensive or practice project? If you are, Karen Harmony is in search of someone willing to use their talent-in-progress on a quilt for charity. Contact her at 479-253-0634 for more information!

# Cuddly Quilt Workshop

Saturday, March 12, 2016

8:30am - 5pm

Northwest Technical Institute (NTI), Springdale

**Come and join us in making quilts for worthy kids!**

Bring your sewing machines and everything else you might need to work on a project. We have lots of fabric and rolls of batting. If you have a pattern that is easy and fast bring it. We will see what we can get done! Bring snacks and/or your lunch.

**Start a quilt at the workshop, finish a project you have started or just come and visit with us!**

We have a great time!

If you have any questions or ideas, please call either Janice Berry or Lou McClellan.

## HOW I STARTED QUILTING

**We all have a story** on what first got us started into the world of quilting. Maybe it was a relative, the pretty fabric!, necessity or just because.

Your fellow quilters want to hear your unique story. Right here, **once a month, one of your stories will be featured** for the rest of us to enjoy.

It's simple. **Share 4-5 sentences** (or less!) on what inspired you to start quilting. Send them to me, your newsletter editor, at [cassie1217@hotmail.com](mailto:cassie1217@hotmail.com)

Looking forward to hearing from you!

### Guild Challenge 2017

Wow! I had no idea we had so many detectives in our guild. I was overwhelmed by your positive response to this year's challenge. I handed out all 30 packets I had prepared in less than 10 minutes. I am so excited to see the amazing quilts you all create. If you didn't get a packet, not to worry. I have several more made up and ready to go!

If you were not at the meeting, let me tell you about the rules! Based on the game of Clue that many of us played as children, each packet contains a Suspect, a Room, and a Weapon card. Your challenge is to create a quilt somehow incorporating each of those components, either through color, block design, fabric design, quilting design, etc. You will find the details/rules: size, quilt naming, etc. inside the packet.

I will have the additional packets at the February meeting. In order to assure that no one has the exact same combination, I am limiting to 30 more packets (60 total). If you would like to reserve one, please send me an email and I will set one aside for you.

May the best detective win!!!!

It was a great class. I learned how to use 4 of Deb Tuckers's rulers.

### **Tonight's Program:**

Lori Jones introduced Raija Salomaa (The Journey of a Quilt Pattern Designer). Raija provided a PowerPoint presentation of her life and how it all began starting with sewing as a young girl in school to quilting and now pattern designing. Raija is originally from Finland in a community of around 2,500 people. She is the youngest of four children. When she came to the United States she became interested in quilting. She started designing quilts in 2003, but then her husband became ill and she had to put this on hold. In 2013, her brother-in-law passed away and this started her thinking again of her desire to write and design patterns. She joined our guild and then attended the "Airing of the Quilts" that year. She was approached by Debbie Moore concerning the quilt she brought and Debbie ended up being a big help to her as she makes her dream a reality. In 2014, she finally published "Painted Lattice", before the end of the year she had four patterns published. She had previously contacted Timeless Treasures and Hoffman but she found out that she was not quite ready. After getting her patterns published she was ready and contacted Timeless Treasures. They wanted her to calculate yardage for shops, and make a sell sheet. Each of her patterns has three sizes with three different color variations to view. Raija mentioned that designing is just the beginning; you also have to write instructions, use computer programs, take good photos, layout and editing, testing, revising, printing, website development, selling and perseverance. Raija also showed several of her beautiful quilts along with quilts from her "testers". She is planning on designing more patterns, working on renditions with Timeless

Treasures, more marketing, submitting designs to magazines, possible book writing. Along with her long-arm business she is also an Innova Longarm sales rep, wife and mother.
