SEW HERE WE GO!!!

A message from our President

Good Morning Fellow Quilters!

Hard to believe that Christmas is almost here, just a couple more days. *(Editor's note: In case you haven't been paying attention to your calendar the wonderful event of Christmas has passed! Don't panic! You don't have to do it again...yet. :) David had to work ahead for me)*

I went to a friend's house last night to celebrate Christmas together and it was great! Sometimes family isn't related. I've known Larry and Ricky and Kay for about 30 years and they are my family. I gave them quilts last night. When you give a quilt you give something that is made with love and great care! Something to help keep them warm and safe and to bring them comfort. I am thankful that I had my mother to help teach me how to do this and continue her love of quilting and caring.

Sitting here this morning, looking out the window I see that the ground is white and wish I could've stayed awake last night to see it fall. We are moving into a new year in a few days and I hope that everyone has had a Merry Christmas and a Happy New Year! The new year is full of possibilities and we need to make the most of everyday! Well, better run and get my day started.

JANUARY MEETING

SPEAKER:
KATHY KANSIER
"Trunk Show"

Kathy Kansier is a quilt teacher, quilt show judge and AQS Certified Quilt Appraiser. She has been happily married to her husband, David, for 37 years. They live in Southwest Missouri, between Springfield and Branson. They both grew up in Wisconsin, became born-again Christians in 1980, and served as missionaries to Mexico prior to moving to Missouri in 1993. Our seven children are grown and we are now enjoying being grandparents.

She likes to make quilts using a variety of techniques, colors and fabrics. Kathy states she would be bored if she only made one type of quilt. She also enjoys making baskets, rug hooking and cross stitching.

Quilt Show 2019

Meeting at the Springdale Public Library on Monday, January 15th, at 6:00 pm. We will meet in the Children's Auditorium. Please everyone on the committee, try to attend. Our next meeting (after this one) will be Monday, March 13th, same time and place. This meeting will last one hour.

We still need a group of members or one member for the Raffle Quilt sales position. This is a very successful fund-raiser. Please consider stepping up for this. If a group of people wanted to do it - it would certainly make it more fun. No one will have to do this alone.

If you have any questions or want to volunteer to help – you can email me – lspeerster@gmail.com - text or call 479-264-9792.

Thanks for all your help! It's weird - we just had a quilt show (it seems) and yet we have one coming up in 15 months.

Regards, Laura Speer
2019 Quilt Show Co-Chair

Just a reminder this is Membership Renewal Time!

Many of you renewed your memberships at the December meeting or by mail - and we thank you.

If you did not, please remember that our membership drive is happening NOW! The January meeting is the deadline for renewal in order to get your name published in the directory. I need to have all memberships in by then to get the directory ready and available for all members at the February meeting. As a reminder, our dues are \$25.00 per year (January-December).

If you have had an address, e-mail or phone number change in the past year - I will have plenty of change forms to fill out at the January - please make sure you get one completed along with your dues so we can start off with a complete and correct directory.

I do not have anyone lined up to take photos, so if anyone wants to volunteer that would be spectacular! If you have a good 'head' shot, nothing formal, just so that members can recognize each other, please forward to me via e-mail with a note that it includes your photo.

We are also looking for advertisers for the membership directory, please send an e-mail to me at justquilting@sbcglobal.net if you or someone you know would like to advertise - the rates are most reasonable.

Thanks! Mikki Stone, Membership Chair

Let's Snuggle Up With a Good Book: 2019 Quilt Show Challenge

This is for Q.U.I.L.T. of NW Arkansas's challenge for 2019. The quilt must be at least 30 inches across by 30 inches in length. It can be maximum of 40 inches across by 40 inches in length. It also must be by definition a quilt with 3 layers; top, batting, and backing. Any technique to make the top can be used to convey the topic of the quilt.

The quilt needs to be based on a single book. It can be either a summary of the book or a major scene in the book. The title of the book and the author must be on the front of the quilt. The lettering can be done either by applique, stencil, printed, pieced, or any other method that makes it readable and must be at least 3/4 inch in height.

Any quilt entered in this category must meet this criteria or it will be placed in another category. Only one entry per member.

Color Wheel Flash Cards

2 of 4

Hue

Hue is another word for a specific color that is different from other colors. For instance, the difference between a red hue and a green hue. Some hues can be described by two color names, like red-orange or blue-green.

Primary

Primary colors within a color wheel are the three parent or stand-alone colors combined to make all the other colors in the wheel. These colors cannot be mixed or made from any of the other colors in the system.

RGB

The initials of the additive system of light and human color perception Red, Green and Blue. These are the three primary, parent, or stand-alone colors in this system which mix together to make all the other colors in the RGB wheel.

RYB

The initials of the subtractive artist's or traditional color system Red, Yellow and Blue. These are the three primary, parent, or stand-alone colors in this system which mix together to make all the other colors in the RYB wheel.

PAINTING WITH WOOL

TAUGHT BY DANI IVES

Since 2013, Dani Ives has been exploring the needle felting technique of painting with wool. She likes to describe it as using nontraditional materials like wool fiber, linen, felt and a barbed needle to mimic traditional painting and drawing techniques.

Her goal is to elevate the craft of needle felting and push the boundaries of this fiber art to be more revered as an artistic medium. So, she creates highly detailed pieces that often surprise viewers when they learn the medium is wool. Dani's work consists mostly of animal and botanical pieces, and she draws upon her background in biology and conservation education to help bring her favorite subjects to life.

This workshop location is to be determined and will be held on Thursday, February 22nd, time and location to be announced.

Cost will be \$40 for members, plus an additional \$15 for the required kit. Please contact Lori Jones at alliancelori@aol.com if you would like to attend.

THURSDAY, FEBRUARY
22ND
TBD
COST: \$40
PLUS \$15 KIT

NOTE: Kathy Kansier workshop for January has been cancelled due to lack of interest
