JULY
BIRTHDAYS
BRING
SNACKS

I had a wonderful 4th of July. We had a great view of Tulsa, Sand Springs and Sapulpa, OK. There were several displays observable from our perch on a backyard deck. My 8 year old granddaughter quoted the Declaration of Independence and then my son quoted The Gettysburg Address. It will go down as one of my favorites. I was reminded that much divides us, but we are united in love for our country and its freedoms. Don't you think it is generous of me to share my birthday with the USA? I am all heart!!!!

JUNE MEETING

**SPEAKER:
DENNIELE
BOHANNON**

"Passions Can Open Windows"

Join us this month as we hear from the co-author of **WHERE POPPIES GROW**. Denniele Bohannon and Janice Britz created The Kansas City Star's block-of-the-month quilt, Remembering Almo, to honor those who served their country. Her great-grandfather, Sgt. First Class Almo Ebenezer O'Kell served as a medic during World War I and he wrote many letters home before peritonitis killed him in 1919 after the removal of his appendix. Nearly a century later, Denniele and Janice spent two years stitching O'Kell's memories into a quilt. Their book was published in September, 2014, as the nation was celebrating the centennial of World War I. O'Kell's letters were filled with memories of his family and his homes in Quincy, Illinois and Hamilton, Missouri; but he never shared any complaints about the circumstances of war. Bohannon used her great-grandfather's handwritten letters as a foundation for the story that is told in the book **WHERE POPPIES GROW!**

SUPER SATURDAY SEW-IN

BEARPAW

TAUGHT BY BARBHAMERNIK

Join us on Saturday, July 25th from 9am to 3pm at the First Presbyterian Church in Rogers for another Super Saturday Sew-In!

**SATURDAY, JULY 25TH
9AM-3PM**
**FIRST PRESBYTERIAN
CHURCH**
1901 SOUTH 26TH ST, ROGERS
COST: \$10

Guild member Barb Hamernik will be teaching this workshop on the Bear Paw. Cost will be \$10 for members and non-members. Please contact Barb by email, barbh1020@yahoo.com, or phone, 479-372-0223 (cell), if you would like to attend. We hope to see you there!

Supplies needed for this workshop are listed below:

FABRIC

Contrasting fabric

Qty depends on your project: The bigger the block the more fabric you will need. Going to teach 3 1/2", 7", 10 1/2", or 14" block size.

3 1/2" Bear Paw

10 1/2" Bear Paw

TOOLS

Quilt in a Day Square up Ruler either 6 1/2" or 4 1/2" size (suggested)

Bias Square Ruler either 8" or 4" size (for small 3 1/2" block)

OR

Omnigrid ruler with bias line running from corner to corner (again, for small 3 1/2" block)

Sewing Machine

Basic Sewing Supplies (cutting mat, scissors, thread, etc)

NOTE FROM BARB

If you will be doing the 3 1/2" block size, please let me know. I have a type of paper (not paper piecing) to do the 1/2" half squares and do them accurately. I will need to bring enough for those wishing to try this.

Please don't make or cut anything until that Saturday.

Pressing your fabrics ahead of time will help the process.

If you would like to explore the different sizes, that would be great.

The purpose of this class is not only to learn how to do a Bear Paw block, but to make accurate half square triangle blocks. I would like you to explore getting these down. There are many ways of making them and by working on them, you can find the way that works best for you. I will have triangle paper on a roll for some to try if they want to explore that, too.

Let's have some fun and learn what looks like a difficult block, but really isn't.

EVERYDAY ARTISTRY

Fascinated by fabric from girlhood, I've found my creative home in quilting. I believe we all have creativity lurking inside just waiting for a chance to come out and play.

What I really love is finding the elements and putting it all together. Inspiration is meant to be expressed and to be shared. This blog explores the creative impulse that exists in our everyday artistry.

Tonight's Program: Pam Goggans of Sager Creek Quilts - A Sample of Samplers

Pam began her quilting career about 25 years ago. After she had been quilting about 10 years, Pam and her husband Cliff opened Sager Creek Quilts in Siloam Springs. Pam not only designs packet patterns, Block of the Month (BOM), Shop Hop quilts and Row by Row quilts; she also makes beautiful intricate miniatures and is a professional machine quilter. Tonight's program featured many of those quilts just mentioned. The miniature's she makes are not paper pieced, she uses her own method with freezer paper to achieve the same effect as paper pieced to replica the larger quilts. One of the reasons she loves the sampler quilts is that you have a large variety of blocks to do specialty quilting on, which adds more interest and design to the quilt and makes it more fun too. Remember when planning your quilt; always try to leave some blank spacing for quilting to accentuate the blocks. The next BOM she has planned is from 'The Farmer's Wife' 1930's book and should be just as fun and interesting as what she brought tonight.

Baby Quilts– Janice Berry & Lou McClellan:

Janice and Lou brought several baby quilts for members to take to either bind or quilt.

Treasurers Report: Roxanna Juergens

Arvest Bank accounts are all up to date and a new credit card was applied for. July 1st the audit was completed, next year it needs to be done sooner. There is a receipt from the June program that is still outstanding and a late bill from the quilt show was

just received, this will be taken care of then the account will be corrected for final totals.

The board discussed the donation amount usually given to the Shiloh Museum, Rogers Museum and Peel House in the past. The board thought making a donation to these places every two years instead of yearly might be a good idea, especially right after the quilt show. This will be brought up at the next guild meeting to be discussed by the members.

Kathy Garringer made a motion to give Shiloh Museum, Rogers Museum and Peel House each a \$300.00 donation for years 2014/2015. This was passed and approved by the full board.

Membership: Barbara Hamernik

Waiting for the list to add new members and update.

Other Business:

Ozark Quilt Association – Quilt Congress

Kathy mentioned they had a meeting last week to discuss the 7-year rotation and we were up next. This will be discussed again because if we are the next host then that makes it twice back to back in Northwest Arkansas. The Ozark Quilt Association is asking our Guild to send a

representative for Quilt Congress and to attend their meetings. They had people as far away as Hot Springs over to Mountain Home attending the meetings. This will be brought up at our next guild meeting for discussion. For more information on Quilt Congress you can go to the following sites: www.ozarkquiltguilds.com; <http://quiltcongress.blogspot.com/>.
