BIRTHDAYS

SNACKS

Has everyone picked out a costume? When I taught school that was one of the perks--dressing up! I love those times when we get to be a kid--even for just awhile! We quilters get to channel our young, creative selves on a regular basis. I love to see what you all create! If you haven't been staying for Show-N-Tell you've been missing a treat. It's like a mini quilt show! Keep up the good work, girls and boys!

I will miss the meeting this month in order to go and support Raija as she takes her patterns to Quilt Market in Houston. I hate to miss being treated to the eye candy Karen Kielmeyer will be bringing! I know she will knock your socks off! She is another of our local treasures so don't miss this meeting. I can't wait to hear from all of you afterward--take notes!

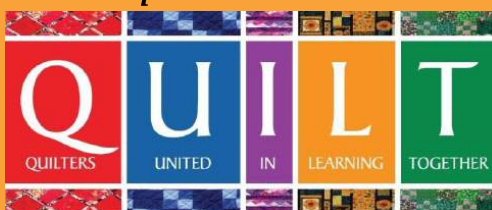

David will be in charge so be sure to give him all your attention. I know he will hold the fort down respectably!

I've been resting up from the Retreat to the Hills today. We had a great time sewing, visiting, learning, eating and laughing. We didn't get much sleeping done, though!

I will miss all of you this month and we don't meet in November. Yikes, I won't see some of you until December! Oh, I can't think about that--it would make me sad.

Your Halloween Head Honcho,

Kathy

*Welcome  
to the Guild!*

# ContactBox...What is it?

How many times have you been out and about, needed to call someone from the guild, and...your directory isn't in your purse. You had it with you at guild and you left it in your quilting bag. Or...you change purses and it isn't big enough to fit your directory in. Oh well, you probably won't need it...wrong! You need to call, text or email someone from the group. Wouldn't it be great to have all of the information from the directory in your hand, just a click away??

If you have a smartphone, then have we got a deal for you. ContactBox is the answer. ContactBox is an app available FREE from your app store. This is an electronic directory. Our directory has been entered into this amazing app and can be shared with you. Not only will you have the information from the directory...with the touch of just one button, you can call, text or email any person in the directory...right from your phone!

The process is simple! Download the app to your smartphone. Once you have it installed, simply let Barb Hamernick, our membership chair, or Kathy Garringer, our reigning queen, know that you are ready, and they will text you a link. When you receive the link, just click on it and the entire directory will download into your app. Voilà!!!! You have all that wonderful information at your fingertips!

If you change phone numbers or update your email or move, go into the app and click on your own name. Click the Edit button and correct the information as needed. I know many of us have issues with the hair day we were having when pics are taken for the directory. Well, wait until you are looking as glamorous as possible, and have someone snap a photo of you with your phone...or take an awesome selfie!!! While in the edit mode, click on the space for the photo and add that glamorous shot! Heck, change your photo as often as you like!! Your new information and your new pic will automatically appear in everyone else's list. No more wondering if you have the correct phone number or someone's latest email. As new members join, the membership committee will enter their information and the list will be updated automatically.

As a bonus, we are being green, wasting less trees to print the directory, not to mention the \$\$ we might save the guild by printing less directories. Welcome to the world of convenience...ContactBox!!!

- 2) Nest your pieces together. Set with iron.
- 3) Sew!

*Do you have a 'Quick Tip'? Send yours to [cassie1217@hotmail.com](mailto:cassie1217@hotmail.com)!*

## WE WANT YOU!

### A NOTE FROM BARB HAMERNIK - MEMBERSHIP CHAIR

It is 2016 Membership time!

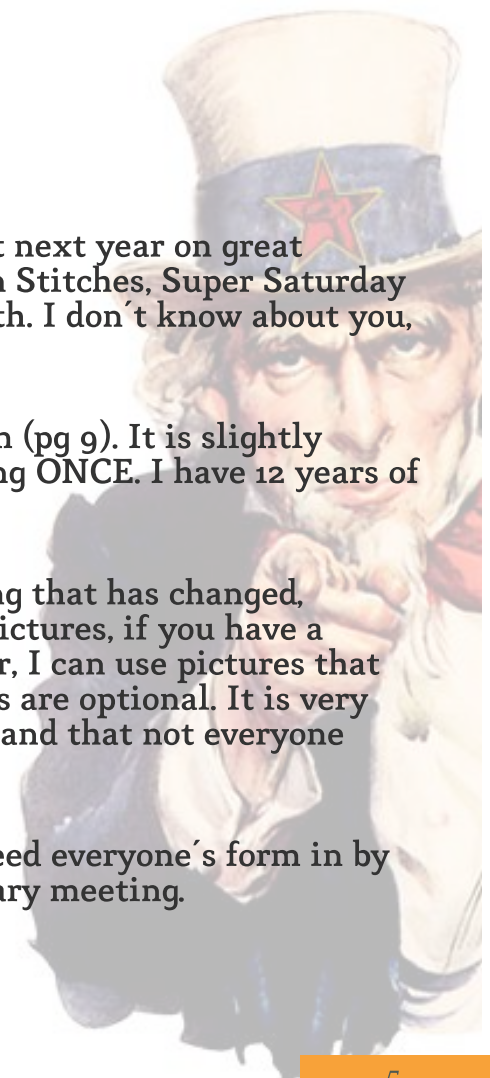

All the great times we have had this last year. Don't miss out next year on great speakers, trunk shows, and programs. Not to mention Hidden Stitches, Super Saturday Sew-ins, classes, and, most of all, getting together every month. I don't know about you, but I sure enjoy this group.

So, I am asking each one of you to print the membership form (pg 9). It is slightly different than previous years. My aim is to do this paper thing ONCE. I have 12 years of checkboxes on the bottom of the forms!

I also need information for the directory. If there is something that has changed, PLEASE star it so I know to change the information. As for pictures, if you have a favorite shot of you, please email it to me with your name. Or, I can use pictures that are already in the directory if you want. AS ALWAYS pictures are optional. It is very helpful for people to get to know each other, but I do understand that not everyone wants a picture in the directory.

I will start collecting the dues at the October meeting. We need everyone's form in by January 15, 2016, so I can get the directories out by the February meeting.

THANKS!!!!
