Dear Sir/Madam:

Here at the Super 8 Motel we take pride in accommodating our guests with the best home away from home experience. It is our mission to deliver the best customer service experience with friendly staff, clean rooms, and many great amenities. We also have a very convenient location in Springdale that is right off of Hwy 412 and extremely close to I-49. Our location is also within walking distance of many great fast food, restaurants and shopping centers.

We are currently updating our rooms to a more modern style. Many of our rooms already have new beds and all of them now have 39" flat panel HD T.V.'s. Each room also has a mini refrigerator, microwave, coffee pot, iron board with iron, hair dryer, and soft towels. Also our guests are provided with housekeeping everyday if they are staying more than one night. We strive to make sure our guests are comfortable and feel safe during their time here. We appreciate your consideration to do business together in the future and we hope to hear from you soon.

Please feel free to contact us at 479.751.6700 (Monday-Friday, 7:00 AM - 3:00 PM) to serve your accommodation needs.

Sincerely,

Super 8, Management
